The FBI Dallas Division will welcome a select number of high school 10th, 11th, and 12th grade students and students that just graduated high school and have not yet started college to the 2020 Teen Academy Program held at its headquarters on **Thursday, July 9, 2020**. Punctuality, professional behavior and appropriate dress will be required of all students attending this program.

The program is not exclusive to students interested in criminal justice careers. Due to the vast diversity in our workforce, any student with a healthy interest in the FBI, our investigations, what to do to stay safe, and how a relationship with the FBI can help their school is encouraged to apply. All students will be evaluated based on their application package and essay to determine which students will be offered the opportunity to attend the class.

This application, associated release forms, and a supporting essay as outlined in the checklist below **must be received by 4 p.m. on Friday, May 1, 2020. Applications should be mailed or e-mailed. Because of security concerns, applications that are hand delivered to the Dallas Division will not be accepted. Incomplete and late applications will not be accepted.**

Frequently Asked Questions Regarding the FBI Teen Academy

Q. Is the program only for high school sophomores, juniors, and seniors?

A. Yes, the program has been designed for high school sophomores, juniors, and seniors. Students may be asked to share the information they have learned and serve as peer mentors, when appropriate.

Q. Is the essay important?

A. Yes, we accept 100 teens into the program. The essay is important in the selection process if we receive more than 100 applications. Essay's are reviewed by our panelists. This is an opportunity for the student to explain why they should attend and what benefit of the class will be beyond the student's own experience.

Q. Does a student have to have specific experience or interest in law enforcement to be a successful candidate?

A. No, a student does not need to be in a criminal justice program, law enforcement explorers program, ROTC, etc. The primary objective is to identify students who are capable of leadership and have an interest in learning what the FBI does.

Q. Is this experience similar to an internship?

A. The FBI Teen Academy is not an internship and, while students may be offered case studies drawn from adjudicated cases, students will not be exposed to active cases or day-to-day investigations.

Q. I love forensic science! Will I get to learn techniques?

A. While students may be exposed to some basic evidence collection techniques during one of the many sessions, the day covers a wide variety of topics from a classroom and experiential perspective. The day is designed to enhance student awareness of current issues, clarify the FBI's role in investigating crimes, and provide information to enable students to better inform and protect themselves and their peers.
